CHICAGO GRAND JURY TO BEGIN INVESTIGATION

Subpenas Issued for Baseball Writers and Club Owners to Appear Before Jury.

BASEBALL HEADS LEND THEIR AID

CHICAGO, Ill., Sept. 21.—Grand jury investigation of alleged gambling by baseball players in the zone series and in a game between Chicago and Philadelphia National League club, August 11, will be begun today by the grand jury. Subpenas have been issued for the following persons to appear before the grand jury: E. J. Connelley, president of the American League; William (Red) Gibson, manager of the Chicago American League club; Charles A. Comiskey, president of the Chicago Americans; William (Red) Gibson, president of the Chicago Nationals; Jacob (Babe) Benton, pitcher for the New York Yankees; Bert E. Collier and Frank O. Kilgus, both Chicago sporting writers; Harvey Woodruff, sports editor of the Chicago Tribune; Sam Hall, sports editor of the Chicago Herald and Examiner; C. A. McDonald, of the Chicago Tribune; and C. A. McDonald, of the Chicago Tribune.

Subpenas for additional players probably will be issued before the investigation begins, said E. J. Connelley, who is working as prosecutor under direct orders from chief justice C. A. McDonald, of the criminal court. He declared that "Babe" Benton, Joe McGraw and Halie Zimmerman, all former major league players, would be called. Charges of alleged gambling which have been leveled against McGraw and Zimmerman would enter into the investigation, he said. When asked why Benton was the only player called thus far, Mr. Connelley said he believed Benton had information that the grand jury needed, and that McGraw would be called when he had a certain paper asked him to do.

The grand jury will not be given any quantity of evidence concerning baseball pools, he said, but every witness would be asked to get into the real gambling—the throwing of games by star players. Baseball to Cooperate. Connelley and writers subpoenaed various unnamed persons to furnish any information they had. Mr. Connelley, of the American League, declared that the league's resources would be at the jury's disposal and that he believed the investigation would be of great benefit to baseball generally.

Wm. Vesce, president of the Chicago National League club, said "it is just what I have been hoping for." President Connelley, of the American League, said he had been hoping for this since J. Louis Comiskey, treasurer of the club, said the club would cooperate in the investigation.

It became known Monday that the committee of baseball writers

MILE RECORD IS CUT DOWN BY ROSE SCOTT

COLUMBUS, Ohio, Sept. 21.—The establishment of the season's mile record of 2:04 1/2 by Rose Scott in the 2-year-old trot, the Horse Review features, the fastest three heat event of the year for 2-year-olds, was the feature of the Grand Circuit meeting Monday. The former season record of 2:06 was set by Bagdad, Rose Scott, a Kentucky entry, lost the first heat to Nelson Dillon, but took the lead early in the second, maintaining her advantage to the finish. Harry Fleming was belted the filly.

Miss Perfection, favorite in the 2:11 trot, won after dropping the first heat. Wintwood, best time 2:14 1/2.

Hal Mahon, played to win the stakes for 2:24 slight, captured the race by straight heat. Best time 2:24 1/2.

So many horses were entered in the 2:15 pace that it was split into two divisions. Oro Direct won first money in the first division and Dan Elger in the second. The best time in each division was 2:15 1/2.

appointed to investigate charges that the Chicago-Philadelphia National League game referred to by the grand jury had been fixed for Philadelphia to win had done little harm. Sam Hall refused to write as chairman, saying he could not agree the time.

Messages were sent tonight to President Hays and to Benton ordering them to come before the jury Monday.

The Philadelphia-Chicago game was won by the Phillies, 3 to 1, after manager Mitchell had switched at the last minute from Hendry to Alexander in making the pitching assignment. Just before the game president Vesce received a number of telegrams and telephone calls telling him that the game had been fixed and that large sums of money were being bet on Philadelphia to win.

Errors Left Game. In a statement Vesce said that the switch to Alexander was made so as to present the strongest lineup possible. Alexander pitched good ball, but lost primarily on errors by Hendry and Harber.

Charles that Hal Chase was implicated in gambling were made several years ago when he was a member of the Cincinnati club then, prosecutor Reppel said.

DODGERS SHOW CLEAN PAIR OF HEELS TO REDS

BROOKLYN, N. Y., Sept. 21.—Brooklyn won the final contest of the Brooklyn-Pittsburgh series in an exciting Monday night game, 3 to 2, at Ebbets Field. Both teams hit hard but without results until the sixth when Triner scored on a double after Schmidt's sacrifice and Wirtz's third strike.

One of his points upon which particular emphasis was placed concerned the mitt alinger who hoisted under the name of a man whose name and whose name he adopted purely for the reason of attracting additional money into the box office. The fans saw the name on the card, went in to witness the pitcher's crapper in action and they were left disgruntled and disappointed when they did not see the show they expected.

In the southwest boxes are too well known for this to be practiced, but El Paso fans are getting together, as they want to hold on to their favorite pitchers whom it seems are being claimed by other cities.

Recent Arizona, in a bit hasty in this matter. Recently, in a report sent out from the Arizona city, they claimed Tommy Carrier as a Phoenix product. Ignominiously, the Phoenix natives laid hold of Pete Bauer, Houston, Texas, wrestler; Ralph Lincoln, California, basketball, but really an El Pasoan, and Frankie Fower, local waterweight. The Phoenix fans are undoubtedly making their claims in all earnestness, and as a matter of fact they are welcome to all of the wrestlers they want. But claiming Tommy Carrier and Frankie Fower is going too far. They can't have him.

"Dutch" Crocker, El Paso lightweight winner, can tell a story as well as box, which should be sufficient recommendation in itself. He engaged in a boxing bout at the lobby the other night and took the prize with this one:

Seller Ed Petroskey, light heavyweight, clanked with a youngster in a Vernon ring during a benefit for one of the prevalent soldiers during the war. Ed knocked out his man in the first round, hitting the young fellow so hard that he nearly went through the ropes head first.

"Dutch" boxed on the card following the Petroskey bout, and when emerging from his dressing room was met by the erstwhile opponent of the earlier bout. The latter was over him and asked "Dutch" if he thought he was out."

"Why people around the rinkside said the referee could have counted 60 had he wanted to and you couldn't have come back," "Dutch" declared.

"Well, only my head and shoulders were out of the ring, not my feet," the youngster declared. He thought Petroskey had knocked him out of the ring in order to win.

Something about 35 points came up at the Army and City league meeting Monday night following the resignation of one of the managers of the Little League. The league of nations has 14, but secretary Howard Don, who has possession of the 15 points, asserts that the latter has the league beaten all to pieces when it comes to viability and ability. The First National team should do well under its new management.

TALKING IT OVER YOUR VIEWS AND MINE

RECENTLY one of the most prominent and best known boxing critics of the country expressed the added mitt circle with a well thought story concerning the boxing world. The story was told in the golden age.

One of his points upon which particular emphasis was placed concerned the mitt alinger who hoisted under the name of a man whose name and whose name he adopted purely for the reason of attracting additional money into the box office. The fans saw the name on the card, went in to witness the pitcher's crapper in action and they were left disgruntled and disappointed when they did not see the show they expected.

Kilbane may be seen in action there. The former is anxious to come here and meet Dick Griffin or anyone else whom the Fort Bliss officials may select, and it is probable that some action will be taken in this regard. Griffin is dead anxious to come back and remove all doubt concerning his fighting ability. He realized the Lincoln contest was slow but points to the cleverness of his opponent. Now he wants to battle Gene Faye and show the boys that he has not lost his ability. He was up against one of the cleverest hitters in the business in Lincoln.

Scrapier baseball at Rio Grande park seems agreed. The players are getting up a consistent brand of ball and let alone by the chief umpire they will give the fans their money's worth. Sunday's games were dandies in every respect.

If any more Pauls like Pat Ryan and Pat McDonald distinguish themselves the world will be calling the event the Olympic games.

Ted Lewis Back, Looks For Bout

New York, Sept. 21.—Ted Lewis, who won the waterweight title from Jack Britton and lost it back again, is back from Europe, where he went to fight Johnny Nasham, British champion, for the title of that country. While in Europe Ted had seven battles and won six of them by knockouts, the other being a technical knockout in 11 rounds. He beat one of the best waterweights in France, Proulx, in five rounds and stopped Nasham in nine rounds. While there Lewis tried to get on a match with Georges Carpentier, the French champion, having backing to the extent of \$25,000, but owing to other contracts the Frenchman could not accept the offer. Now Lewis is looking for a match with Jack Dempsey and must first keep his contract with Battling Levinsky on October 11 in Brooklyn.

INDIANS WIN; CHICAGO SOX ALSO VICTORS

CLEVELAND, O., Sept. 21.—Cleveland won the sixth consecutive game by defeating Pittsburgh, 4 to 1, at Ebbets Field Monday night. It was Staley's fifth straight victory since joining the local team. Gardner drove in six of the league leaders with runs with two triples and a double. His first triple came in the third with the bases full, the other in the seventh with two on base. With two down in the fifth, his single scored Speaker, who had doubled. Staley was hit harder than usual, but kept his hit and scored again in the second when Earl Long's double combined with two errors scored all of Staley's runs.

In two other innings the Red Sox threatened but made lightning and killed off leading rallies easily.

Jimmy Dunn Is Confident

CLEVELAND, O., Sept. 21.—James C. Dunn, president of the Cleveland American League club, is just as confident as he was a month ago, when Cleveland was losing the league by 4 1/2 games, that the Indians will win the pennant.

"I am not worried about my boys," Dunn said. "I have the utmost confidence in my boys and the other members of the team. We are not giving up. We have had in the last few weeks and we are going to be a hard team to beat."

CLEVELAND IS ONE AND HALF GAMES AHEAD

NEW YORK, Sept. 21.—The Brooklyn Nationals increased last over New York, 1 to 0, in a 12-inning game, while the three American league leaders all won. Cleveland retaining its game and a half lead over Chicago.

Brooklyn won from Pittsburgh and gained a half game as New York and Cleveland split. Brooklyn beat the Superbas 4 to 1, while the Nationals won from the Yankees 3 to 1. The Nationals have only to win four games out of seven to place the pennant beyond New York's grasp, and three out of seven to insure a possibility for Cincinnati to reach the top.

In the American League, both Chicago and New York put more hope in the Cleveland-Chicago series beginning Thursday.

If the Indians win half of their 12 remaining games, the White Sox would have to win six out of nine to tie them and the Yankees seven out of eight.

Arrangements have been made to play games up to that time and probably later in the event the season weather continues. Frank Haley's all start aggregation of Texas leagues will be held within the next few days. Haley's bunch of major league players to the Pacific coast will leave through a route of game playing. The exact date of the Stengel arrival has not been set due to the fact that Stengel is not sure just when he can leave Kansas City. He is coming with a much stronger team than last year, though, and his club expects to win the Pacific coast championship of the year.

Will Be Strong Team. Secretary Don is keeping in touch with Haley relative to the dates the Fort Worth cranks have here. The Southern league champions or they would have been here last Saturday and Sunday for games with the Cubs and the Indians. The Stengel team will be in shape to meet the local team upland homers on the baseball field.

Hill just finished a year with the Akron team of the International league while City was with Ocala, home of the Western. The southern star Weiss has been with Rockford, Ill., for a year and will be in shape to meet the local team upland homers on the baseball field.

St. Louis, Mo., Sept. 21.—"Babe" Ruth, home run champion, shattered another record Monday, scoring his 14th, run this year in the seventh inning, to give New York a 4 to 3 victory over St. Louis. The previous mark was 14 runs established by Cobb of Detroit in 1911.

Charles has been showing increased speed and ability to shoot baskets in practice. He and Greenblatt have the distinction of being the only two guards to hold their opponents entirely scoreless during one game. The latter played heady, aggressive and has had plenty of experience upon the gymnasium floor.

PRENSKY TEAM TO TAKE BERTH IN A-C. LEAGUE

Former Zone Players Will Now Be in First National Uniform; Haley Team Coming.

CITY LEAGUERS ARE PREPARING

BY ONE deft motion Army and City league base Monday night at the executive committee meeting severed the connection of the Zone Supply team with the league and immediately voted the First National to the vacancy created.

It will result in the change of names only as the Zone players will simply appear in First National uniforms and O'Connell, Cohen, Kahn, Kahn and other players have made a hit with the fans this season will be back on the field just the same.

They will be under the command leadership of A. L. Prenskey, "Andy" Anderson and "Rocky" Green. All competent baseball men and have now definitely escaped from the poor handling which the team has received for the past three months. The fans also welcome the change as the good efforts of the former Zone team were many times nullified by coaching and nagging from the dugout.

Secretary Don announced Tuesday morning that the schedule of the league will end on October 14.

Arrangements have been made to play games up to that time and probably later in the event the season weather continues. Mt. Sinai Team Looks Strong Snappy Material Lining Up

Mt. SINAI basketball team which has been playing the First National basketball league since the start of the season, has already begun practice and has a lot of good looking material lining up.

While director A. L. Holm and the church league managers have not decided upon the opening date of the 1917 league, it is probable that it will take place within the next month.

The Mt. Sinai boys are looking so fine in getting into the gym that the fans are sure to be interested in the game. The team is made up of some of the best players of the city.

One of these is Andy Cohen, star forward of the High school. Cohen last year and also a member of the Mt. Sinai team. His terrific speed and accurate hand shooting have stamped him as one of the best of the city's forwards.
